

Job description

Overview:

Join our Heartland dental team as a Dentist and play a vital role in providing exceptional dental care to our patients. We are seeking a skilled and compassionate Dentist to join our practice. The ideal candidate will have a passion for dentistry, excellent communication skills, and a commitment to delivering high-quality patient care.

Responsibilities:

- Perform dental examinations, diagnosis, and treatment planning for patients of all ages.
- Administer anesthetics to limit the amount of pain experienced by patients during procedures.
- Educate patients on oral health and proper dental hygiene practices.
- Perform routine cleanings and preventive procedures.
- Treat teeth affected by decay, trauma, or disease.
- Perform root canal therapy, extractions, and other surgical procedures as needed.
- Maintain accurate patient records using Dentrix software or similar systems.
- Stay current on advancements in dentistry and attend continuing education courses as required.

Heartland invites you to apply for this exciting opportunity, Competitive salary commensurate with experience. Join us for a great associate career building opportunity. Or we also have a **PARTNERSHIP** opportunity as well.
